Sid Smith stated the club would like access to Valero, Pizza Pub, and the car wash. Rich Walker reported that the snowmobile clubs get a bad name from a few rogue snowmobilers. But the Club provides community service and safety training for youngsters. Ken Werner was concerned about snowmobiles on the trail from the courthouse to the airport. He is pleased to hear that this is not a problem with the Club. Rich Cohen wanted to know what trail the snowmobiles used previously, who allowed them to post the trail, and if a resolution would be passed. Marjorie Cohen is worried that the snowmobiles will damage the quality of water at Woodman's Pond. The snowmobiles would only use the trail from Dec 22 or 23-March 31 of each year. There is a blanket policy to cover all property owners that the club pays for. The club does not use the Airport for any trails.
